

UPDATE APRIL 2021

We have taken the utmost care to ensure that we have created the safest environment for our swimmers and the staff.

Please adhere to these routes unless otherwise advised or shown.

Pool Route

- Enter via the main entrance- adults/anybody 11 y.o or older must wear masks (swimmers do not need to wear masks on poolside)
- Enter through the boys changing room within a 5-minute window of your child's lesson starting- children must arrive in swimming kit with as few items over them as possible.
- Middle and top group swimmers may enter 5 mins before the class starts. Beginner children will be collected and walked on to poolside.
- Parents can wait in cars or in the waiting area. We advise new parents and beginner group children wait in the waiting area in case they are needed for toilet runs- you will be asked to come in.
- Pick up your child in the girl's changing room where you can dry/change, please ensure you are there within 5 mins before the end of the lesson.
- The sports gym outside the boys changing room can be used as an overflow changing room if needed.

Changes in place

- Children will be permitted to enter within 5 minutes before their lesson.
- Signage for the changing room will be present.
- The use of cones for the children's swimming area will continue to be used.
- Parents will not be allowed to wait on the poolside. Parents can return to cars or wait in the hall area near the main entrance.
- As the children leave the pool, you will be able to change them in the girls changing room and the sports hall (as overflow)
- All adults must wear a facemask whilst inside the building.
- Please ensure you are changed as quickly as possible as we are going to clean the changing rooms down between lessons, this takes 15mins.
- You will exit via by turning left at the changing room stairs as before.

What we are doing

- Cleaning the "pinch points" in-between each lesson will be carried out
- All staff have completed COVID awareness and prevention courses
- Equipment is cleaned between lessons

*The safety of our staff, swimmers & their families is our top priority.
We can't wait to welcome you back!*

- Staying up to date with guidelines set by Swim England, S.T.A, World Health Organization
- Providing cleaning stations where appropriate

Any questions for the instructors or Andy or Matt, please message us as soon as you have them and we will resolve them on the day if possible.

*The safety of our staff, swimmers & their families is our top priority.
We can't wait to welcome you back!*
